AS-068 Rastorguyeva Isl –update March 12

We are waiting for the guys. In the evening we were in Baikailovsk, they still have to go 160 km. The weather changes very sharply during the day -1 evening snow and a gale of 28 m / s. By morning they promise a drop in temperature of -28C. In an hour, the temperature dropped by 12 degrees. The amount of snow is amazing. Houses on the roof are visible and he continues to walk. There is no connection, all gadgets are disabled. We listen to fascinating stories of travelers and polar explorers. So pass the evening.
